DRAGON OF FORTUNE

Have you ever played a game that cheers for your win as loudly as you do?

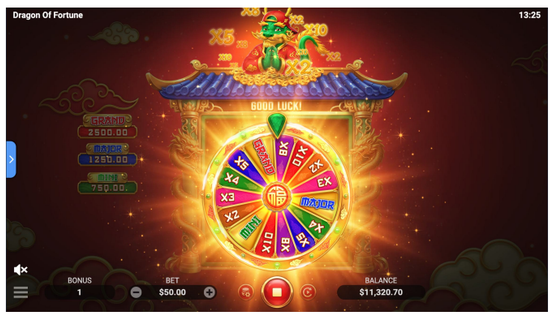
Out of the shadows steps a dragon, grinning as if he’s been waiting for this moment all along! Watch him closely during a Respin or when the Wheel of Fortune spins into action. That’s when he leans forward, practically holding his breath, hoping the result lands somewhere spectacular. And when it does, he lets out a roar of pure delight, as though your win means just as much to him as it does to you. Underneath all that charm sits a title built for excitement. Land two matching reels without quite forming a win, and a Respin gives the celebration one more turn. Fill the board with matching symbols, or even a table full of Wilds, and the Wheel of Fortune throws open its doors, hiding 3 jackpots inside: Mini, Major, and the mighty Grand, worth up to 50x your bet. This dragon has waited centuries for someone to celebrate with. Wake him up, spin the reels, and find out just how far his luck is willing to carry you!

Game Features

WILD SYMBOL
The Wild substitutes for all symbols in the winning combinations.

RESPINS
If two reels show the same symbols or Wilds, with at least 3 symbols per reel but no win line, Respins will activate. Only one re-spin is available. As a result, the Wheel of Fortune feature can be activated, or you will be redirected to the main game.

WHEEL OF FORTUNE
To activate this bonus feature, you will need to have a full table of symbols of the same type or Wilds. Only one spin is available per activation. The payout is calculated by multiplying the win line win by the multiplier the Wheel of Fortune rewards.



JACKPOTS
The game has 3 jackpots, each with a high multiplier:

- Grand – 50x bet;
- Major – 25x bet;
- Mini – 15x bet.

Winning a jackpot is possible only in the Wheel of Fortune feature. The final win is the sum of the win line payout multiplied by a jackpot multiplier.
