GREATEST CATCH: ICE WHEEL

The sky never goes dark here. It just changes colour, and an old fisherman in a red bobble hat has already picked his spot, and he has a good gut about today. Greatest Catch: Ice Wheel takes the much-loved fishing adventure to the frozen north. Look down through the ice, and you'll see Fish waiting in glowing blocks, worth 1x to 500x your bet. The Golden Fish is the one everyone dreams of.

Before the reels stop, the Bonus Wheel goes round and decides what happens next. It might push you towards Free Spins. Feeling impatient? Use Bonus Buy to go straight to the action.

Grab your rod. The ice is thick, the lake is deep, and the big one is out there somewhere!

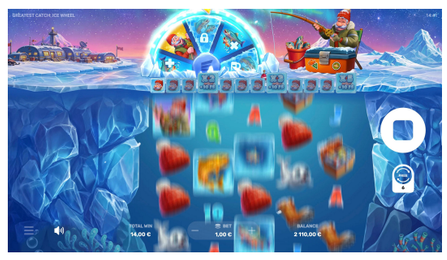
Game Features

BONUS WHEEL IN THE MAIN GAME
It's a random event that can activate one of the following features:

- Extra Bonus – additional 1-3 Bonus symbols appear on the reels and help trigger Free Spins.
- Ice Breaker – collect the values of all Fish symbols on the reels and award them as a win.
- Super Bonus – an additional Super Bonus symbol appears on the reels and helps trigger Super Free Spins.

BONUS WHEEL IN FREE SPINS
It's a random event that can activate one of the following features:

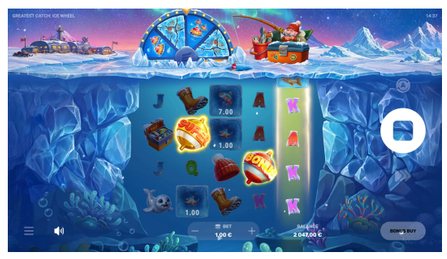
- Extra Wild – an additional Wild symbol appears on the reels.
- Extra Fish – additional Fish symbols can appear on the reels.
- Fish Respin – all Fish symbols on the reels are locked and one respin starts. During the respin, you can activate the Bonus Wheel again.



BONUS AND SUPER BONUS SYMBOLS
The Bonus symbols appear on any reel only in the main game.

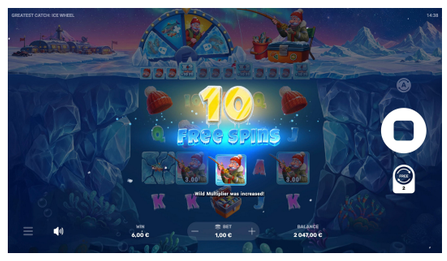
- 3 Bonus symbols trigger 10 Free Spins.
- 4 Bonus symbols trigger 15 Free Spins.
- 5 Bonus symbols trigger 20 Free Spins.

Super Bonus can appear on any reel, and it acts as a regular Bonus. If it is among the Bonus symbols that trigger Free Spins, Super Free Spins are awarded. This feature opens 10, 15, or 20 Free Spins with an increased chance of landing the most valuable Fish symbol (x500).



WILD AND FISH SYMBOLS
The Fisherman is the Wild symbol, and it appears only during Free Spins. It substitutes for all symbols except Bonus and collects the values of all Fish symbols when they land together.

WILD MULTIPLIER AND EXTRA SPINS
The Free Spins round starts with a x1 Wild Multiplier. Every 4th Wild that lands during Free Spins increases the Wild Multiplier and awards 10 additional Free Spins. The Wild Multiplier applies to Fish values collected by Wild symbols.



DYNAMITE FEATURE
It can be triggered during Free Spins when at least one Wild lands and no Fish symbols appear on the reels. Dynamite replaces 3-6 regular symbols with Fish symbols, which Wild symbols can then collect.

BONUS BUY
The Bonus Buy feature allows you to purchase and immediately trigger Free Spins. Randomly, 3, 4, or 5 Bonus symbols can land, awarding 10, 15, or 20 Free Spins. In Super Free Spins, the chance of landing a Fish symbol worth x500 increases. You can also increase your chances of landing Bonus symbols by activating the Bonus Chance option.
