

ANDAR NIGHTS

Hidden under the cover of the night sky, the charming Madhu waits patiently for brave souls to join her in unravelling the mystery of cards in the Andar Night game.

Madhu will greet players in her best attire and invite them into her room, where cards will decide the destiny of the courageous volunteers. All they need to do is beat her in guessing the position of the winning card.

Accept the challenge and test your fate in Andar Nights.
