

BONUS BUY

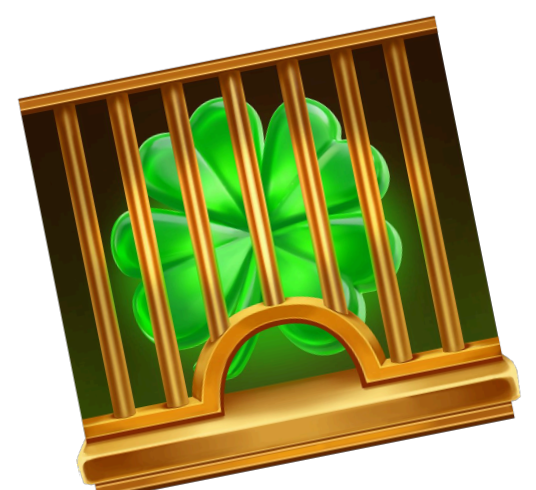

Video Slot **BANDIT BONANZA**

The sun's beating down on a dusty desert. Somewhere behind the saloon doors, a gang of outlaws is counting their loot, and you already know trouble's riding into town. Meet the baddies: 3 bandits, one plan, and a stash of gold waiting to be claimed.

Keep your eyes on the Bonus symbols: land a blue symbol and the fox works her magic, boosting the value of Bonus symbols mid-round for a bigger reward. A red symbol calls in the wolf, who throws open an Extra Reel field, doubling your chances and stacking the haul from both. And when the badger's green symbol lands, it lights the fuse on Extra Spins, stretching the Bonus game further than you'd expect. Trigger all three at once, and the whole company rides together – now that's a heist worth talking about.

This town's got gold buried in every corner, and the gang's not about to leave without their share. Saddle up, spin the reels, and see if you've got what it takes to ride with the Bandit Bonanza crew!

Game Features

WILD

Wild replaces all regular symbols except the Bonus symbol and appears on reels 2-5 in the main game.

BONUS SYMBOL

There are 4 types of Bonus symbols in the game: Blue, Red, Green and Gold. All Bonus symbols contain random values or Mini, Minor and Major jackpots. In the main game, any Purple, Red, or Green Bonus that lands on the reels can trigger the Bonus game with a specific booster.

EXTRA WEALTH

The Blue Bonus symbol is associated with the Extra Wealth booster. In each round of the Bonus game with this booster, there is a chance that the values of 1-4 random Bonus symbols (excluding Mini, Minor, and Major jackpots) will be increased by an amount from 0.5x to 10x the total bet.

EXTRA REELS

The Red Bonus symbol is associated with the Extra Reels booster, which adds a bonus field at the start of the Bonus game. Both fields spin independently during the feature, but at the end, the prizes from both fields are summed up in the total win.

EXTRA SPIN

The Green Bonus symbol is associated with the Extra Spin booster, which increases the number of spins in the Bonus game to 4.

BONUS GAME WITH BOOSTERS

The Bonus game can be triggered with one, two or all three boosters simultaneously. During it, only Gold Bonus symbols appear on the reels. Collect all 15 Gold Bonus symbols to get the GRAND jackpot. Or even two if the Extra Reels booster is active.

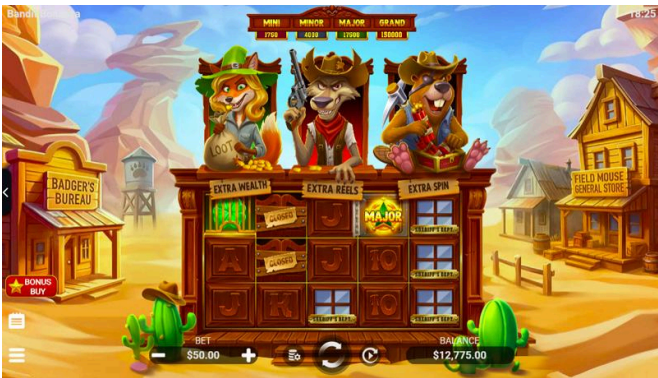

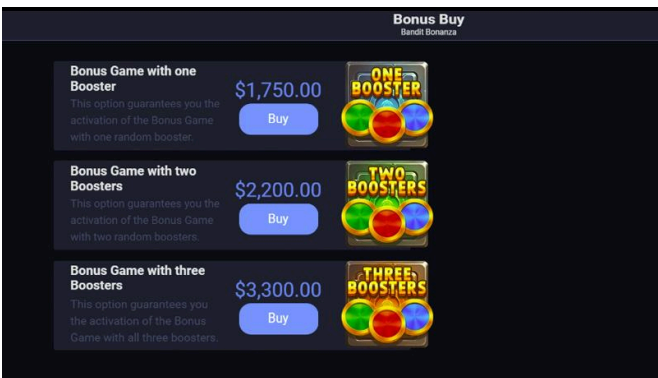

JACKPOTS

4 jackpots in the game can be won only during the Bonus game:

- GRAND jackpot awards x3000 bet;
- MAJOR jackpot awards x350 bet;
- MINOR jackpot awards x80 bet;
- MINI jackpot awards x35 bet.

BONUS BUY

The Bonus Buy feature allows you to purchase and immediately trigger the Bonus game with one, two or all three boosters.
