

BLACKJACK: LUCKY SEVENS

Evoplay Entertainment represents its own version of old good Blackjack game also known as twenty-one. Compete against the dealer, get the higher hand value and win a generous prize.

To start the game, a player has to set a bet amount, select amount of active hands (up to 3) and click on a 'Deal' button. The main goal is to collect a hand with a value up to 21 and better than the dealer's one. This version of Blackjack has a remarkable feature – Lucky Sevens bonus. If a gambler gets three cards with a value of 7, an additional bonus (initial bet multiplied by 1.5) is rewarded.
