

BOMB SQUAD

Evoplay Entertainment brings to your attention a new gambling game "Bomb squad", where players need to defuse the bomb by cutting the right wire! The game not only really keeps the users guessing what's going to happen until the end, but also makes it possible to get a big win! There are three difficulty modes in "Bomb squad", each player can choose his own playing style and risks. Easy controls, nice interface, simple rules and fast first-person gameplay will make feel like real sappers. The atmosphere of the game is guaranteed to give a complete immersion in the world of "Bomb squad"!
