

BUDAI REELS BONUS BUY

Our latest game, Budai Reels Bonus Buy honours ancient traditions which go back centuries, such as gold-filled bags, feng shui inspired coins and Chinese red envelopes full of money!

In this title, a cheerful monk named Budai acts as a representative of Japanese mythology and Buddhism. The friendly sage seeks to share contentment, success and prosperity with the lucky players that are able to meet him.

With the new Bonus Buy feature, users won't need a monk's level of patience, as players can purchase Budai Respins, allowing them to trigger the main game feature at any moment!

Meet with Budai, benefit from his good wishes and learn more about the power of the Buddhist master in the Bonus game!
