Game Features

BONBON BONUS SYMBOL

The BonBon Bonus symbol can show up on any reel in both the main and Free Spins games. If you get 3 or more BonBon Bonus symbols, it activates Free Spins. Plus, in the Free Spins round, you score even more Free Spins.

GUM DROP MULTIPLIER

Gum Drop Multiplier can appear on any reel during both the main and Free Spins games. Gum Drop Multiplier symbol reveals the value at the end of the winning spin. The Gum Drop Multiplier has the potential to range from x2 to x100.

FREE SPINS

Free Spins introduce a progressive feature known as the Gum Drop collection. Each time a Gum Drop lands, it is gathered in a meter. The Free Spins level advances as the number of collected Gum Drops reaches the specified amount. With each progressive level, higher multipliers come into play. The maximum level is 5 and once reached, no more Gum Drops are collected.

DOUBLE CHANCE

During the main game, you have the option to activate the Double Chance feature. The final bet will be adjusted to your initial bet multiplied by a coefficient of 1.50x, providing you with twice the chance of triggering Free Spins.

BONUS BUY

The Bonus Buy feature enables players to buy and instantly activate 10, 15, or 25 Free Spins.
