

BONUS BUY

CAT'S BLESSING

Diversify your entertainment by adding a lovable fortune-catcher to your game list! Surrounded by Eastern talismans of luck and treasures, you will get the meow-tiful experience of playing side by side with Japanese beckoning cats. With Wild and Bonus symbols, this slot is rich with opportunities for big wins. Each bonus symbol appearing in the main game can trigger a bonus game.

Experience the magic of Cat's Blessing, where three adorable maneki-nekos bring luck and fun to your game. Perched above the reels, each colourful cat can bless you with its own special booster for the Bonus game. These boosters can be combined with each other so that a total of 7 different variants of the Bonus game are obtained, among which there are those with double reel sets.

Chase four fixed jackpots and take advantage of the Bonus Buy feature to jump straight into the action.

CAT'S BLESSING

Game Features

BONUS SYMBOLS

There are 4 types of Bonus symbols in the game: Red, Purple, Green and Gold. All Bonus symbols contain random values or Mini, Mega and Super jackpots. In the main game, any Purple Bonus, Red Bonus, or Green Bonus that lands on the reels can trigger the Bonus Game with a specific booster.

EXTRA WEALTH

The Purple Bonus symbol is associated with the white cat and the Extra Wealth booster. In each round of the Bonus Game with this booster, there is a chance that the values of 1-4 random Bonus symbols will be increased by an amount from 0.5x to 10x total bet.

EXTRA REELS

The Red Bonus symbol is associated with the golden cat and the Extra Reels booster, which adds an additional bonus field at the start of the Bonus Game. Both fields spin independently during the feature, but at the end, the prizes from both fields are summed up in the total win.

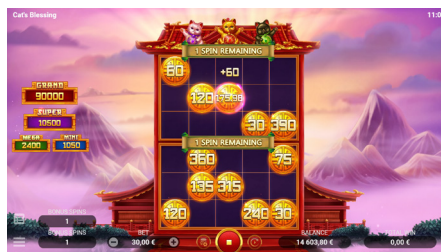

EXTRA SPIN

The Green Bonus symbol is associated with the black cat and the Extra Spin booster, which increases the number of spins in the Bonus Game to 4.

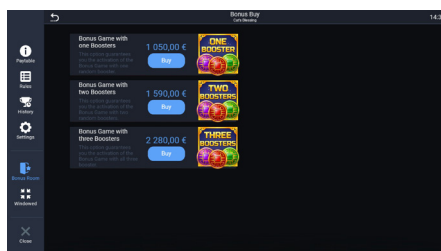

THE BONUS GAME WITH 3 BOOSTERS

The Bonus Game can be triggered with one, two or all three boosters simultaneously. During the Bonus Game, only Gold Bonus symbols appear on the reels. Collect all 15 Gold Bonus symbols to get the GRAND Jackpot. Or even two, if the Extra Reels booster is active.

BONUS BUY

The Bonus Buy feature allows you to purchase and immediately trigger the Bonus Game with one, two or all three boosters.
