#### WILD SYMBOL

The Wild symbol replaces all regular symbols except the Free Spins symbol. They come with x2 or x3 multipliers that apply to winning combinations, and if several Wilds appear in a line, their multipliers are summed.

#### **FREE SPINS**

The Free Spins symbol appears only on reels 1, 3, 5. 3 Free Spins symbols trigger the Free Spins game. Sticky Wilds appear only during Free Spins and remain on the reel until the Free Spins game ends.

#### WHEEL OF FORTUNE

Wheel of Fortune appears when the Free Spins game is activated. Before the start of it, the player needs to spin the Wheel of Fortune to determine the number of free spins. You can win 9, 12, 15, 18, or 21 free spins.
