## GAME FEATURES

### BONUS SYMBOLS

There are 2 types of Bonus symbols in the game, the Bonus and the Star Bonus. The Bonus symbol can yield random multipliers of 1x, 2x, 5x, 10x, and 15x, as well as fixed jackpots. The Star Bonus symbol can only appear on 2 reels. Two Bonus symbols and one Star Bonus activate the Bonus game.

### BONUS GAME

During the Bonus game, only the Bonus and Start Bonus symbols can land. The feature always starts with 3 spins, and each time a new Bonus symbol lands, the spins count resets back to 3. Each Star Bonus symbol collects all values and jackpots of the Bonus symbols that have landed during the Bonus game.

### JACKPOTS

In the Bonus game, you can win 4 Jackpots, each of which is hidden within certain Bonus symbols:

- Grand - 1000x bet;
- Major - 150x bet;
- Minor - 50x bet;
- Mini - 25x bet.

### COIN RUSH

The Bonus Game can be activated in any round of the main game if at least one Bonus symbol is on the reels. During this random feature, two Bonus symbols are randomly positioned on the reels, and the Bonus game starts.
