Main Game	2005
Bonus Game	6249

GAME FEATURES

BONUS SYMBOLS

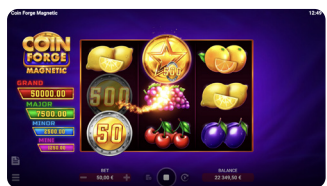

There are 2 types of Bonus symbols in the game, the Bonus and the Star Bonus. The Bonus symbol can yield random multipliers of 1x, 2x, 5x, 10x, and 15x, as well as fixed jackpots. The Star Bonus symbol can only appear on 2 reels. Two Bonus symbols and one Star Bonus activate the Bonus game.

JACKPOTS

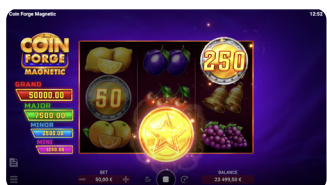

In the Bonus game, you can win 4 jackpots, each of which is hidden within certain Bonus symbols:

- Grand - 1000x bet;
- Major - 150x bet;
- Minor - 50x bet;
- Mini - 25x bet.

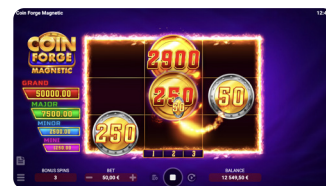

COIN MAGNETIC FEATURE

The Coin Magnetic feature is activated when the Star Bonus symbol and one or several Bonus symbols appear on any position of any reel but not on 3 reels at the same time. When activated, the Star Bonus collects all the Bonus symbols that have landed, summing their values and awarding the total amount to the player as winnings.

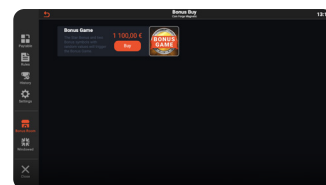

COIN RUSH

The Bonus game can be activated during any round of the main game if at least one Bonus symbol is on the reels. During this random feature, two Bonus symbols are randomly positioned on the reels, and the Bonus game starts.

BONUS GAME

During the Bonus game, only the Bonus and Star Bonus symbols can land. The feature always starts with 3 spins, and each time a new Bonus symbol lands, the spins count resets back to 3. Each Star Bonus symbol collects all values and jackpots of the Bonus symbols that have landed during the Bonus game.

BONUS BUY

The feature allows players to purchase and immediately activate the Bonus game.
