COINBURST SEVENS

Somewhere in a neon-soaked casino, the machine already knows you'll love this. Simple until Coins land on reels 1 and 3, each hiding a multiplier or a jackpot behind its shine.

Here's the twist: get a Bonus Collector in the middle, and it grabs everything on the table instantly. But the real gold rush is the Bonus game. 3 spins, nothing but Coins and Collectors on the reels, and every value feeds straight into the pot. Land another Bonus symbol and the clock resets – keep it going long enough, and you're staring down the Grand jackpot, 1000x your bet. Go big with the Super Bonus game, starting with 3 Collectors locked and loaded.

Coinburst Sevens doesn't do slow burns. It's loud, golden, and ready whenever you are!

Game Features

WILD SYMBOL

The Wild symbol appears on all reels in the main game and substitutes for regular symbols in winning combinations, except Coin and Bonus Collector symbols. Winning combinations of 3 Wild symbols pay according to the payable.

COINS

The Coin symbols can appear only on reels 1 and 3 in the main and Bonus games. Each Coin symbol shows a random value of 1x, 2x, 3x, 5x, 7x, or 10x the bet, or one of the fixed jackpots: Grand, Major, Minor, or Mini. Coin rewards are paid only during the Bonus game.

BONUS COLLECTOR

The Bonus Collector symbol can appear only on reel 2 in the main and Bonus games. Only one can land per spin on reel 2 in the main game. In the main game, it helps trigger the Bonus game and can trigger the Coin Rush Random Event.

777'S POWER

Activates in the Main Game when a Bonus Collector lands on reel 2 with at least one Coin on reel 1 or 3, but not when Bonus symbols land on all three reels, triggering the Bonus game. The Bonus Collector collects all Coin values, including MINI, MINOR, MAJOR, and GRAND jackpots, and awards the total as a win for that spin.

COIN RUSH

May trigger during any non-winning main game spin with at least one Coin. Regular symbols transform into Bonus symbols, ensuring a Coin with a random value on reels 1 and 3 and a Bonus Collector on reel 2. If a Bonus Collector is already present, only the missing Coins are added.

BONUS GAME

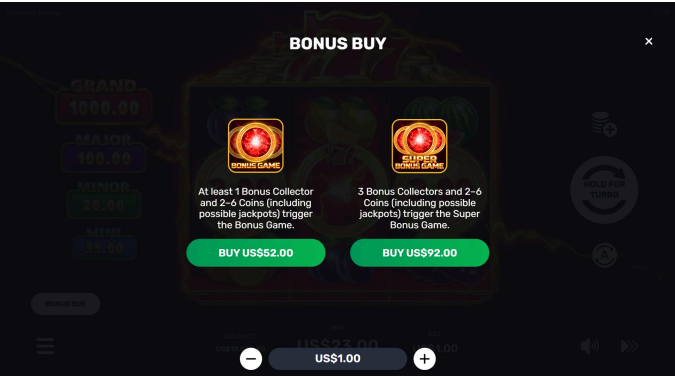

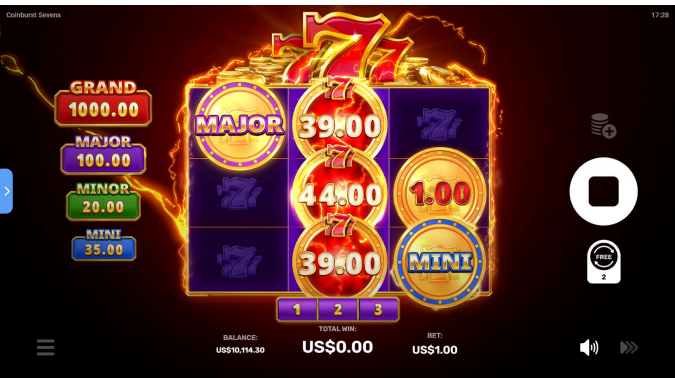

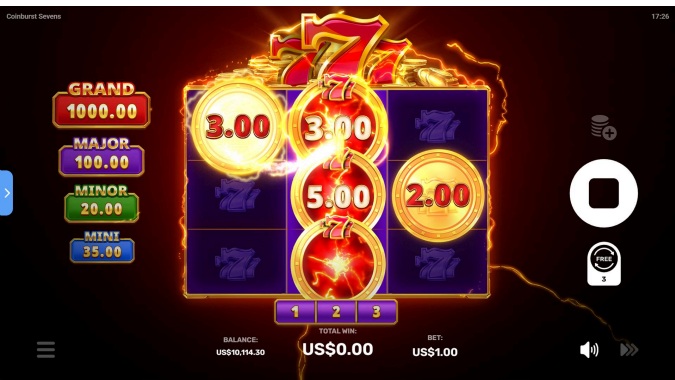

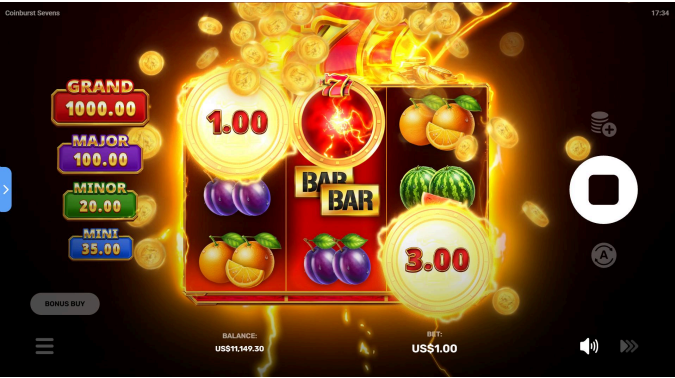

Each Bonus Collector symbol collects the coin amounts and jackpots of all Coin symbols that land during the Bonus game. Each Coin value is added to each Bonus Collector, and the accumulated amounts from all Bonus Collectors combine into the final win.

SUPER BONUS GAME

3 Bonus Collectors and 2-6 Coins (including possible jackpots) trigger the Super Bonus game.

BONUS BUY

Bonus Buy allows you to trigger a Bonus game or Super Bonus game.
