

## EPIC LEGENDS

Epic Legends is a real adventure designed for players who want to discover the world's four greatest legends and gain their unique powers!

To uncover all four legends, players must undertake the challenge and find themselves a legend symbol – Blue Legend, Violet Legend, Red Legend, or Green Legend.

As an asset, players can use a Scatter ball, which transforms the symbol into a Legend and triggers respins to start one of the corresponding types of Free Spin game.

Moreover, players can benefit from the legend native feature - expanding symbols, sticky symbols, synchronization and multipliers all unique to the type of legend caught.
