

EUROPEAN ROULETTE

EUROPEAN ROULETTE

Evoplay Entertainment introduces to play its own version of the classic European Roulette. Players who prefer traditional gambling, will definitely appreciate the seasoned style and atmosphere of a real casino. The rules of European Roulette remained the same.

Roulette contains 37 cells, including a bet on zero. The player's goal - guess which cell the ball will drop after turning the wheel. To start the game, you need to bet on the expected result. Among the possible bets: even / odd, red / black, for one and several numbers, etc.

For the convenience of players on the European Roulette screen there is a field with the last five results.
