

FOUR ACES

FOUR ACES

Four Aces is another insta game by Evoplay Entertainment. In this gamble player has to find a card with a target suit. Don't be misled by the simple rules; a right guess multiplies your bet in next to no time!

The game starts as soon as player sets a bet amount and select a target suit or suits. You can choose up to 3 suits per round. Apparently, the biggest multiplier(x3,84) comes with 1 suit selected. Click on one of four cards you think might be right and see the result!
