

Green Hat Magic

Step into the enchanting world of Green Hat Magic, a classic slot game that combines the allure of traditional fruit machines with captivating features that redefine excitement. Discover the power of the expanding Wild symbol, spread across entire reels, and encounter not one but two Scatter symbols that bestow their rewards from any position on the grid.

Though equipped with just 5 paylines, Green Hat Magic harnesses the potential of the expanding Wild mechanic to create a whirlwind of wins, often spanning more than a single line per spin. But the magic doesn't stop there. After each spin, a surprise may beckon you to the Jackpot game, where triumph is guaranteed. Jackpot game is a field of 12 cards of 4 suits, and a player opens cards in turn. The first 3 matching open cards by suit determine which jackpot has been won.

GAME FEATURES

WILD SYMBOLS

Wild symbols can appear only on the 2d, 3d, and 4th reels. They substitute for all symbols, except for Scatter symbols. The Wild symbol, falling on a reel, replaces all symbols on that reel. When the Wild symbol is a part of a winning combination, it expands, covering all positions on the reel.

SCATTER SYMBOLS

Scatter symbols form combinations regardless of where they appear on the reels. Green Hat Scatter can occur anywhere on the reels. Star Scatter appears on the 1st, 3d, and 5th reels.

JACKPOT GAME

The Jackpot game is a four-level jackpot. Each jackpot level is illustrated by a card suit:

- CLUBS - the 1st level;
- DIAMONDS - 2d level;
- HEARTS - 3d level;
- SPADES - 4th level.

After a single game has been completed and all wins have been collected, the Jackpot game can be triggered at random. When the Jackpot game is activated, the player is automatically guaranteed one of the jackpots.
