

HEADS & TAILS

Evoplay Entertainment brings a new vision to traditional coin flipping game. Head & Tails is an exciting gamble where a player can instantly multiply (x 1.92) an initial bet by guessing the outcome of coin tossing.

To start the game, a player sets the bet (from 50 to 10 000) and select a possible outcome. Click on 'Flip' to toss a coin and see the result. For added convenience Head & Tails provides History bet section. Therefore, players may build a suitable gambling strategy.
