

HERCULES: SPORTS LEGEND

King Eurystheus, eager for entertainment, never let Hercules rest. One day, he devised a new challenge: how far could the mighty hero make a throw? Always up for a challenge, Hercules built a sturdy ramp for a trained ram to slide down, heading straight towards his club. The ram's soft fleece kept it safe as it tried to dodge Hercules' precise strikes.

Now, it is your turn to carefully adjust each blow by hitting at the right moment. If lucky, Talaria, the winged sandals, will help you hit your ram farther, higher and faster to get a larger multiplier. You will receive the final winning multiplier when the ram stops moving – the farther it flies, the bigger your reward!

Place your bet and make your best throw!
