

HIGH STRIKER

Push your gambling experience to the limits with High Striker! This is an insta game by Evoplay Entertainment where the whole result changes within a fraction of a second! The riskiest player will get up to x1000 bet multiplier!

As participants place bets, a scale of multiplier starts growing. The longer you wait, the bigger would be your prize. Be aware that multiplier may crash anytime and game finishes. Place 'Cash out' to take your win (initial bet multiplied by multiplier). High Striker game provides convenient History and top player sections for players to build the most profitable strategy.
