

BONUS BUY

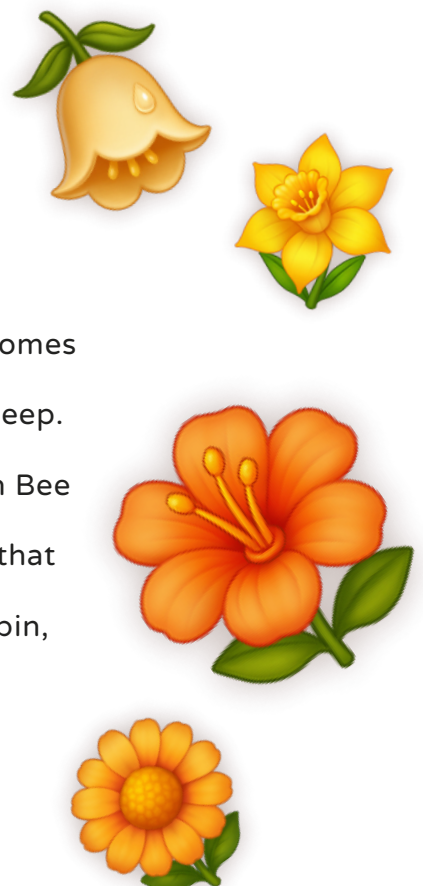

HONEY ROYALE

The Queen doesn't share her treasures with just anyone!

In Honey Royale, Cash symbols fill the reels, Jackpots hide throughout the hive, and valuable rewards are waiting to be unlocked. When the Queen Bee lands, she becomes the hive's collector, unlocking every Cash symbol and Jackpot on the reels in one satisfying sweep.

The sweetest rewards come during Free Spins, where the Queen Bee remains locked in the centre of the reels for the entire feature. Every Cash symbol and Jackpot that lands can be immediately collected through the Unlock & Win feature, while Queen Bee Spin, Jackpot Rewind, and additional Free Spins combine to create repeated opportunities for bigger rewards.

The hive is open... Are you ready to collect its riches?

Game Features

UNLOCK & WIN

The Queen Bee appears only in the centre position of reel 3, acting as a Wild and substituting for all symbols except Cash and Jackpot symbols. If she lands with either on the reels at the end of a spin, she unlocks and awards all displayed prizes.

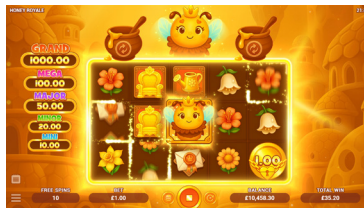

QUEEN BEE SPIN

When triggered, the feature guarantees the appearance of the Queen Bee symbol. A random number of Cash and Jackpot prizes are then thrown onto the reels.

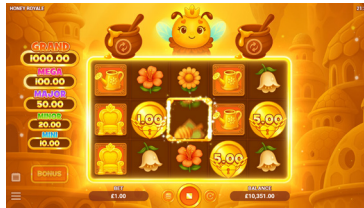

JACKPOT REWIND

When the Queen Bee is present, one or more reel positions rewind to reveal additional Cash symbols and Jackpots that award their displayed values.

QUEEN BEE REWIND

The centre position of reel 3 rewinds to land the Queen Bee, creating another chance to trigger Unlock & Win and Free Spins.

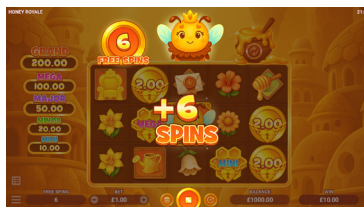

FREE SPINS

Free Spins are awarded when the Queen Bee triggers one or both Honey Pots.

1 Honey Pot = 6 Free Spins

2 Honey Pots = 12 Free Spins

The Queen Bee remains locked in the centre throughout the Free spins. Queen Bee Spin, Jackpot Rewind, and additional Free Spins occur more frequently.

BONUS OPTIONS

Increase the chance of triggering Free Spins with the Booster or Super Booster, or purchase 6 or 12 Free Spins instantly.
