Game Features

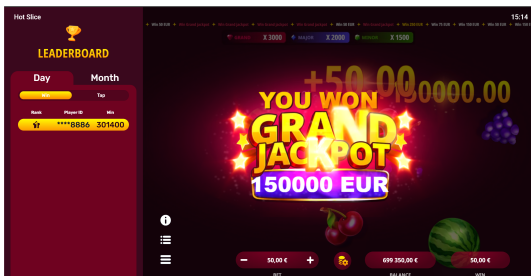

GOLDEN SYMBOL

The Golden symbol is a rare feature that guarantees a reward but won't break open easily. You'll need an unpredictable number of taps or swipes to unlock its secret. The more actions you take, the better your chance of getting the prize. Check the payable for all Golden symbol multipliers.

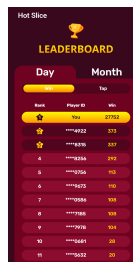

JACKPOTS

Every tap or swipe gives you a chance to hit one of three jackpots: Minor, Major, and Grand. You can find their winning multipliers in the payable.

TOP 15 LIST

Compete with other players, break records, and secure your spot in the top 15 – or aim for the very top!

QUICK HISTORY

The Quick History option is located on the main screen, displaying all your winnings. For convenience, jackpots are highlighted in their respective colours, while big wins are marked in yellow.
