

INSTANT SOCCER

Looking for a fast-paced and easy-to-play game to relax after a long day? We've prepared something simple and thrilling for you – Instant Soccer!

All you need to do is choose a bet amount and set your target multiplier. Then, cross your fingers and see if the game's random multiplier meets or beats yours. If it does – you win! Your reward depends on your chosen multiplier and bet size. So, no matter whether you're new to iGaming or a real expert in this field – you'll love it!

Minimalistic yet exciting, isn't it?

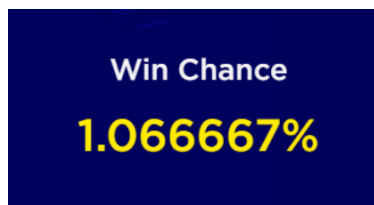

Game Features

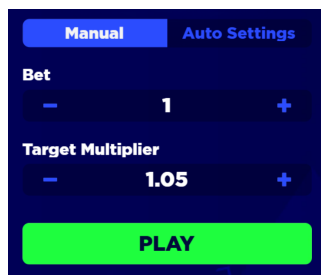

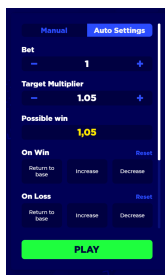

CHANCE OF WINNING

The Chance of Winning feature displays the probability of winning at the current target multiplier value. Changing the target multiplier allows you to observe how the chance changes and determine your risk.

ADVANCED AUTOPLAY

The advanced autoplay feature allows you to select the number of rounds and includes options like Stop on Loss/Win, which stops the game automatically at a set win or loss amount (with wins based on net profit), and Change Bet on Loss/Win, which lets you adjust your bet after a win or loss by keeping it the same or increasing it.

QUICK HISTORY OF ROUND RESULTS

Compete with other players, break records, and secure your spot in the top 15 – or aim for the very top!
