Game Features

JELLIES TURN WILD FEATURE

Each Jelly symbol turns into the Wild for every second drop. Jellies stay as Wild symbols until there are no more wins.

SCATTER SYMBOL

Landing 3 or more Scatter symbols triggers a Free Spins game. At the beginning of Free Spins, one of 4 high paying symbols of Jellies is randomly selected and increases its multiplier by the number of Scatter symbols that activated Free Spins.

FREE SPINS

Every Jelly symbol instance has a multiplier associated with it. The current multiplier value is applied to any win that the Jelly symbol contributes to. During the Free Spins game, each Scatter symbol increases the win multiplier for a Jelly symbol by one.
