GAME FEATURES

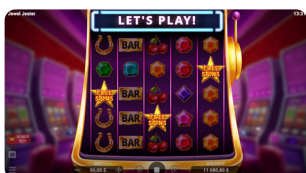

WILD SYMBOL

The Wild symbol substitutes for all symbols except the Scatter one to form winning combinations. It appears in sizes ranging from 1x1 to 5x5, covering the entire board for maximum paylines.

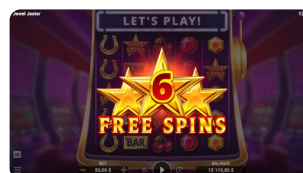

WANDERING WILD SYMBOL

Exclusive to the Free Spins round, the Wandering Wild symbol appears in a random position at the start and remains until the round ends. With each spin, it shifts to a new random position, gradually increasing your chances of winning as you advance through the checkpoints on the Progress Bar: starting at 1x1, moving to 2x2, then 3x3, 4x4, and ultimately 5x5.

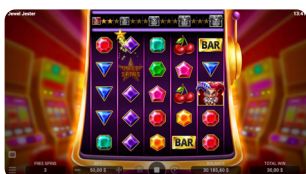

SCATTER SYMBOL

The Scatter symbol pays regardless of its position on the reels, adding excitement to every spin. Scatters can appear on all reels, but only one Scatter can land on each reel at a time.

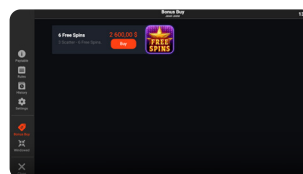

FREE SPINS

Activate Free Spins with 3 or more Scatter symbols. Collect additional Scatters during Free Spins to fill the Progress Bar, earn up to 14 spins, and boost the Wandering Wild.

PROGRESS BAR

It appears during Free Spins and is divided into 4 sections with 3 slots each. Collect Scatters to advance the bar – every 3 Scatters activate a checkpoint, which rewards +2 Free Spins and grows Wandering Wild for even greater rewards.

BONUS BUY

Skip the wait and get Free Spins directly for an action-packed start to big wins. During the spin, 3 to 5 Scatter symbols land in random positions on the reels, triggering the Free Spins feature.
