

Jokers Invasion

One Joker? Two Jokers? TEN Jokers? How about Jokers Invasion?! This game is like a purple paradise where fruits rule the reels.

Jokers are here to spice up the gathering with thrilling surprises and rewards that'll leave you grinning wider than a watermelon slice. Jokers Invasion also boasts fixed Jackpots ripe for the picking and a Bonus game to add even more fun! On top of everything else, you can spice it up by activating the Bonus game whenever you want. The Bonus Buy feature kicks things up a notch and adds extra excitement to the gameplay.

Spin those reels, enjoy the fruity festivities, and let the good times roll!

Epic Win (100xBet)	1 in 2565
Max payout	(for times bet observed in 500 mln. spins):
Main Game	250
Bonus	10 000

GAME FEATURES

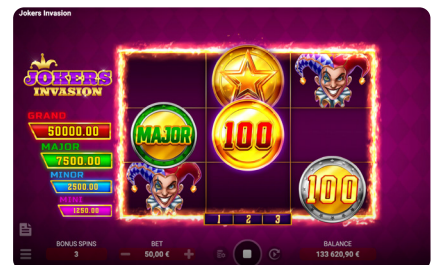

JOKER SYMBOLS

Joker symbols can land in the main and Bonus games. In the main game, the Joker is a Wild symbol. During the Bonus game, when the Joker symbol lands in a cell, it triggers an x2 multiplier before disappearing. Landing the Joker in a cell with a multiplier again will increase the multiplier by 1. When the Bonus symbol lands in the cell with the multiplier, the value of the Bonus symbol is increased by it.

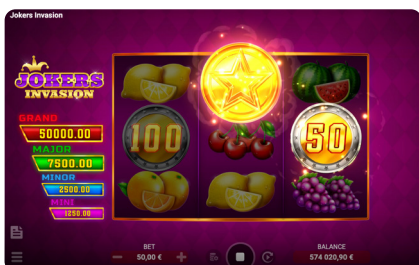

BONUS SYMBOLS

There are 2 types of Bonus symbols in the game, the Bonus and the Star Bonus. The Bonus symbol can yield random multipliers of 1x, 2x, 5x, 10x, and 15x, as well as fixed jackpots. The Star Bonus symbol can only appear on 2 reels. Two Bonus symbols and one Star Bonus activate the Bonus game.

BONUS GAME

During the Bonus game, only the Bonus, Start Bonus, and Joker symbols can land. The feature always starts with 3 spins, and each time a new Bonus or Joker symbol lands, the spins count resets back to 3. Each Star Bonus symbol collects all values and jackpots of the Bonus symbols that have landed during the Bonus game.

COIN RUSH

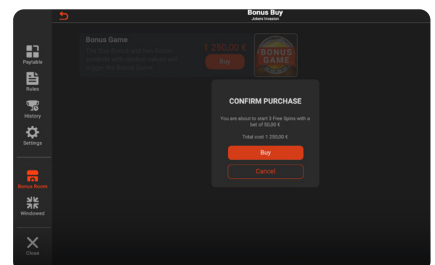

The Bonus game can be activated in any round of the main game if at least one Bonus symbol is on the reels. During this random feature, two Bonus symbols are randomly positioned on the reels, and the Bonus game starts.

JACKPOTS

In the Bonus game, you can win 4 Jackpots, each of which is hidden within certain Bonus symbols:

- Grand - 1000x bet;
- Major - 150x bet;
- Minor - 50x bet;
- Mini - 25x bet.

BONUS BUY

The feature allows players to purchase and immediately activate the Bonus game.
