

LIBERTY FIREWORKS

It's a night filled with light, color, and anticipation. The sky glows with fireworks, the atmosphere builds with every spark, and the reels carry that same festive energy forward.

Inspired by the spirit of Independence Day, Liberty Fireworks brings together familiar symbols and bold visuals. At the heart of the action is the Bonus game, powered by three exciting features. Each one brings something different to the reels, adding more energy and more ways for the gameplay to unfold. When they appear together, the excitement builds even higher, keeping the pace unpredictable right up to the final moment.

Liberty Fireworks captures the feeling of a celebration in motion: steady, bright, and full of moments that stand out.

Let the party begin!

Game Features

WILD SYMBOL

The Wild symbol replaces all regular symbols except the Bonus symbol and appears on the 2-5 reels in the main game.

BONUS SYMBOL

There are 4 types of Bonus symbols in the game: Blue, Red, Green and Gold. All Bonus symbols contain random values or Mini, Minor and Major jackpots. In the main game, any Blue, Red, or Green Bonus that lands on the reels can trigger the Bonus game with a specific booster.

EXTRA WEALTH

The Red Bonus symbol is associated with the Extra Wealth booster. In each round of the Bonus game with this booster, there is a chance that the values of 1-4 random Bonus symbols (excluding Mini, Minor, and Major jackpots) will be increased by an amount from 0.5x to 10x total bet.

EXTRA REELS

The Blue Bonus symbol is associated with the Extra Reels booster, which adds an additional bonus field at the start of the Bonus game. Both fields spin independently during the feature, but at the end, the prizes from both fields are summed up in the total win.

EXTRA SPIN

The Green Bonus symbol is associated with the Extra Spin booster, which increases the number of spins in the Bonus game to 4.

BONUS GAME

The Bonus game can be triggered with one, two or all three boosters simultaneously. During the Bonus game, only Gold Bonus symbols appear on the reels. Collect all 15 Gold Bonus symbols to get the GRAND Jackpot. Or even two if the Extra Reels booster is active.

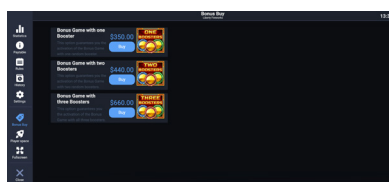

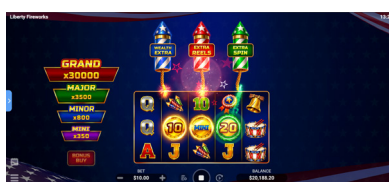

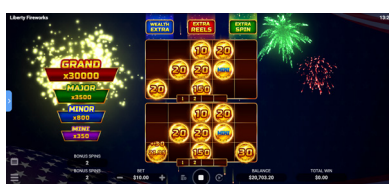

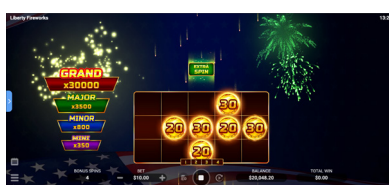

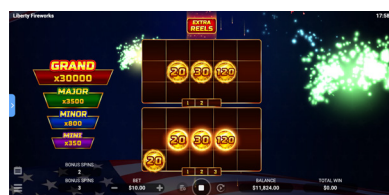

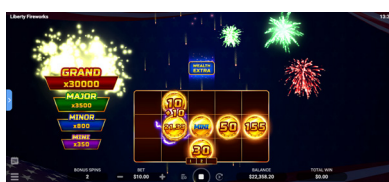

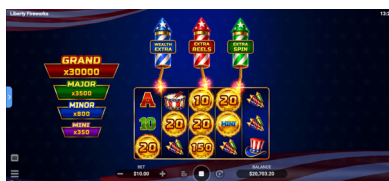

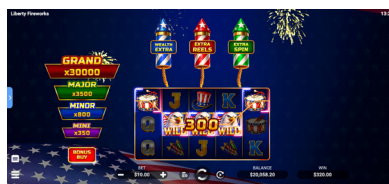

JACKPOTS

There are 4 jackpots in the game that can be won only during the Bonus game:

- GRAND jackpot awards x3000 bet
- MAJOR jackpot awards x350 bet
- MINOR jackpot awards x80 bet
- MINI jackpot awards x35 bet

BONUS BUY

The Bonus Buy feature allows you to purchase and immediately trigger the Bonus game with one, two or all three boosters.
