

LONG BALL

A legendary long-shot goal, all eyes on the ball!

Take up the position of the greatest striker of all time, forging your career in a top league football team. The competition is fierce, and sports fans in the stands are chanting and yelling, spurring you to guide the ball towards the back of the net. The further the ball reaches, the higher the multiplier. By hitting the target, you will earn x1000 of your bet, recognition and, of course, more lucrative contract offers from football agents.

The top 100 list serves as a constant reminder that competitive spirit in sports never dies. In-game chat allows you to discuss the match and share your thoughts with participants, and even show off your leaderboard result.

Go down in history as one of the most successful forwards of all time!
