

BONUS BUY

The title 'LU FU VORTEX' is centered on a vibrant red background with a glowing purple and yellow vortex. The text 'LU FU' is in large, bold, yellow 3D letters with a red outline, while 'VORTEX' is in smaller, pink 3D letters with a yellow outline. The background is decorated with floating gold coins, red and blue Chinese characters, and stylized clouds.

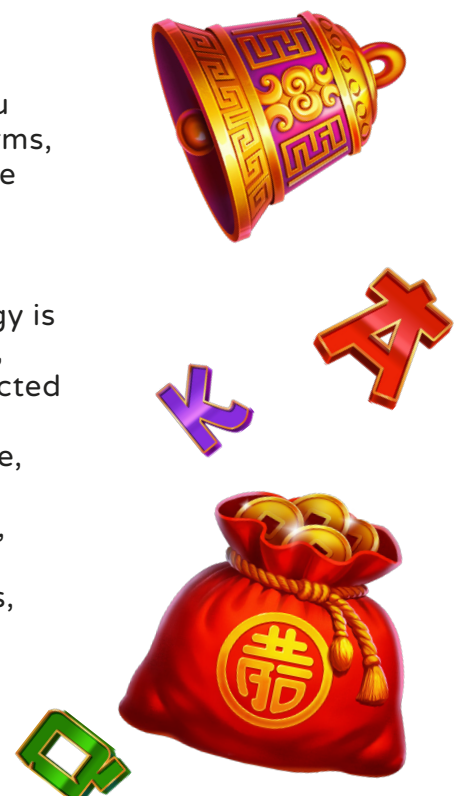

LU FU VORTEX

LU FU VORTEX

Something changes the moment the reels start moving in Lu Fu Vortex! There is a distinct rhythm inside. Coins land, energy forms, and the reels begin to revolve around something larger than the spin itself.

The main mechanic centres on the interaction between Coin symbols and the Bonus Vortex. When both appear, Lu Fu Energy is triggered, and the vortex gathers every Coin value on the reels, including Mini, Minor, Major, and Grand jackpots, turning collected energy into an instant reward. The Bonus game is activated by landing at least one Bonus symbol on each reel, and once inside, every new Bonus symbol resets the spin counter to keep the feature alive longer. With random Coin values, 4 fixed jackpots, and Bonus Buy, the game creates a steady pull between anticipation and reward. No distractions, no unnecessary layers, but every symbol here matters.

You spin, you watch, you wait... and then Lu Fu Vortex clicks!

Game Features

BONUS SYMBOLS

There are 2 types of Bonus symbols in the game, the Coin and the Bonus Vortex. The Coins have random multipliers of 1x, 2x, 3x, 5x, 7x, 10x, as well as fixed jackpots. Bonus Vortex symbol can only appear on 2 reels. Two Coin symbols and one Bonus Vortex activate the Bonus game.

LU FU ENERGY

When at least one Coin and Bonus Vortex symbol appears on the two reels in the main game, the Lu Fu Energy feature is activated. During it, the Bonus Vortex symbol collects the values of all Coin symbols, including Mini, Minor, Major, and Grand jackpots, and adds them to the winning spin.

COIN RUSH

The game can activate the Bonus game in any round of the main game, provided that there is at least one of the Bonus symbols on the reels. Before the start of the Bonus game, at least two random Coin and Bonus Vortex symbols are placed on any positions.

JACKPOTS

There are 4 fixed Jackpots in the game, which can be won only during the Bonus game:

Grand jackpot awards **1000x bet**

Major jackpot awards **100x bet**

Minor jackpot awards **35x bet**

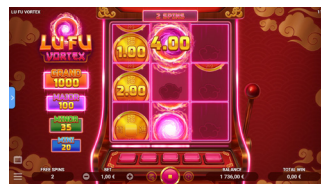

Mini jackpot awards **20x bet**

Mini, Minor, Major, and Grand Coin symbols give corresponding jackpots.

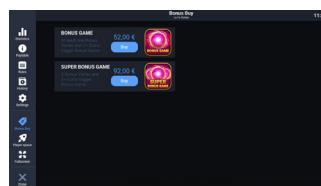

BONUS GAME

The Bonus game is activated when there is at least one Bonus symbol on each reel. It always starts with 3 spins, and each time a new Bonus symbol lands, the spins count resets back to 3. Regular symbols fade away, leaving only the Bonus symbols that triggered the feature. When the Bonus game ends, the sums from all the Bonus Vortex symbols will be added to the total amount. In this feature, you can win 4 jackpots.

BONUS BUY

The Bonus Buy feature allows you to purchase direct access to the Bonus Game or Super Bonus Game.
