

LUCK REACTOR

Imagine yourself in the heart of the neon lights of Las Vegas. Here, the legendary Luck Reactor, a powerful machine that produces pure fortune, is ready to bring you the thrill you've never felt before. What awaits inside it? Emotions, dreams, risks, and excitement collide, creating an explosion of energy that powers the city of luck and brings wealth to those brave enough to catch the win.

Each spin is an impulse from the reactor itself. Wilds boost winnings, Bonus symbols open up additional features, and shining coins bring prizes. When the Crown Magic feature is activated, the screen explodes with a stream of golden crowns, triggering exciting Crown Spins and generous Free Spins that can multiply your winnings.

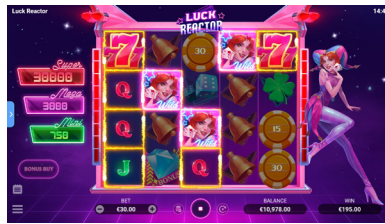

Feel the neon glow, spin the reels, and see the power of luck at work. The Luck Reactor is already at full throttle – and it's time to tap into the energy of victory. So, press your button!

Game Features

WILD SYMBOL

The Wild substitutes for all regular symbols in winning combinations, except for the Crown, Coin, and Bonus symbols. Wilds appear only on reels 2–4 during the main game and Free Spins.

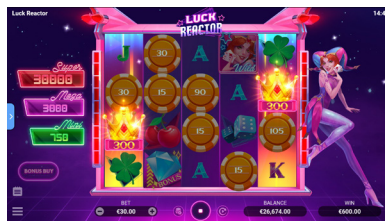

COIN SYMBOL

All Coin symbols display random values from 0.5x to 15x bet, as well as MINI, MEGA, and SUPER jackpots worth 25x, 100x, and 1000x bet, respectively. Coin symbol wins are awarded only during the Crown Magic feature.

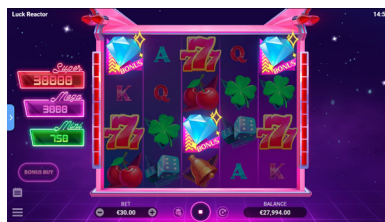

CROWN MAGIC FEATURE

The Crown Magic feature is triggered when a Crown symbol lands on reel 1 or 5, along with at least one Coin symbol. During this feature, each Coin symbol on the reels awards its displayed value or jackpot. The Crown symbol appears only on reels 1 and 5 in the main game and during Crown Spins.

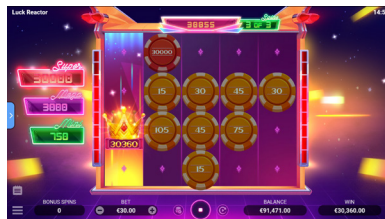

BONUS SYMBOL

In the main game, 3 or more Bonus symbols landing anywhere on the reels trigger the Bonus Feature Selection, where you can choose to activate Crown Spins or Free Spins.

CROWN SPINS

At the start of this feature, you receive 3, 4, or 5 Crown Spins. Only Crown and Coin symbols appear, with at least one guaranteed Crown symbol on reel 1 or 5 in every spin, ensuring the Crown Magic feature activates in each round. The Crown on reel 1 may contain a x2, x3, or x5 multiplier, while the one on reel 5 may contain +1 Spin.

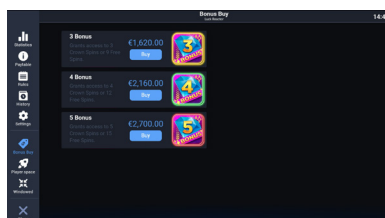

FREE SPINS

At the start of this feature, you receive 9, 12, or 15 Free Spins. Landing 2 or more Bonus symbols during the feature awards Extra Free Spins. All Wild symbols carry a x2, x3, or x5 multiplier. If multiple Wilds with multipliers are part of a winning combination, their values multiply together.

BONUS BUY

You can purchase direct access to Crown Spins or Free Spins from within the main game.
