BONUS GAME

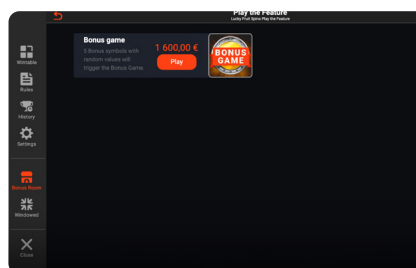

The Bonus game always starts with 3 spins, and each time a new Bonus symbol lands, the spins count resets back to 3.

At the start of the Bonus game, regular symbols fade away, and only the Bonus symbols that triggered the feature remain. The normal reels are replaced with special reels containing only Bonus symbols and empty spaces. All Bonus symbols that hit after each spin remain on the reels until the end of the Bonus Game. The Bonus game continues until all spins are finished or all 15 positions on the reels are filled with Bonus symbols. When the Bonus game is complete, the value of all Bonus symbols is added, and the game pays the total amount.

SCATTER SYMBOL

The combination of Scatter symbols is formed regardless of their position on the reels.
