

Magic Wheel

MAGIC WHEEL

Magic Wheel - an improved version of the famous gambling Wheel of Fortune. Its main feature is a three-level system with a huge variety of prizes. To get a super prize, a player needs to complete all three levels in one round! The rules are extremely simple - you just need to bet and start the wheel. This is something that will create massive excitement!

Evoplay Entertainment has developed a great game that perfectly combines a simple user-friendly interface design with a vivid playing field, and dynamic gameplay.
