

MARY'S MINING MANIA

Step into Mary's shoes, a young and adventurous gold hunter who has inherited a mine from her grandfather. He was a seasoned prospector who spent his entire life in pursuit of precious gold deposits. It's now Mary's turn to continue his legacy and explore the mine in search of riches!

As you begin the game, you'll find Mary deep inside the mine, equipped with a truck. While descending down the mine, she encounters numerous unexpected traps, and the multiplier increases. Bats, rock falling, and creaky old rails make the journey to the gold more challenging!

Depending on your gold hunter tactics, you can place two different bets in the same round. The list of top players reveals those who have progressed deepest into the mine, and all achievements can be discussed in the in-game chat.

Dig deeper into the mine of entertainment in Mary's Mining Mania!
