

MINE FIELD

MINE FIELD

What about the good old classics? Evoplay Entertainment presents you an updated version of the classic Minesweeper. The rules remain the same, but updated graphics and improved game interface make this game truly excellent.

New technologies have allowed us to modernize the game, so that the highlight of simplicity, conciseness and style remains in it. The ability to choose the size of the game field will allow you to develop an optimally convenient strategy, as well as choose your boundaries of risk.

So hurry to enjoy your favorite game from time immemorial! And as they say "the simplicity of genius"!
