

MYSTIC TOTEMS

Welcome to Mystic Totems! An adventure where the wild answers only to the brave.

Carved masks of majestic bears, watchful eagles, powerful wolves, and sacred tribal emblems fill the grid, surrounded by misty mountains and timeless magic. Land 6 or more matching symbols anywhere on the reels to claim a win. The more symbols you gather, the stronger the reward. One of the most thrilling aspects is the progressive Mystery Orb levels. As you collect more Mystery Orbs, the multipliers grow stronger, increasing your chances of landing a big win.

The drums are beating.
The spirits are watching.
Spin the reels and awaken the power within!

Game Features

MYSTERY ORBS

Mystery Orbs can appear on any reel during both the Base Game and Free Spins, with Level 1 (Cyan) Orbs available in the Base Game. When a winning combination is formed, each visible Mystery Orb reveals a random multiplier between x2 and x100. After all tumbles are complete, the revealed multipliers are added together and applied to the total win for that spin, determining the final payout.

MYSTERY ORB COLLECTION

This feature is active during Free Spins and begins at Level 1, with each landed Mystery Orb added to a visible collection counter. Once a set number of Orbs is collected, the feature advances to the next level, increasing the likelihood of higher multiplier values appearing on future Mystery Orbs. The multiplier range always remains between x2 and x100. The feature can progress up to Level 5, and after reaching this maximum level, additional Orbs no longer enhance the multiplier potential.

FREE SPINS

Land 3 or more Scatters in the Base Game to trigger this feature.

- 5 Scatters = 25 Free Spins
- 4 Scatters = 15 Free Spins
- 3 Scatters = 10 Free Spins

EXTRA SPINS

During Free Spins, landing 3 or more Scatter symbols awards Extra Spins. Scatters can appear on any reel, with a maximum of one Scatter per reel. Extra Spins are automatically added to the remaining Free Spins.

- 5 Scatters = +7 Extra Spins
- 4 Scatters = +6 Extra Spins
- 3 Scatters = +5 Extra Spins

BOOSTER

This feature increases the chance of triggering Free Spins by more than 2 times. The cost is 1.5x the bet per spin.

BONUS CHANCE

When enabled, the final bet is multiplied by 1.80x, and the chance of triggering Free Spins is approximately doubled. Additional Scatter symbols are added to the reels.

BONUS BUY

Select a bonus option from the menu. You can choose only one option at a time. Selecting it again will deselect it. The total bet displayed is the cost per spin for the selected bonus. If your balance is insufficient, the Spin button will be disabled. The Bonus Buy is available only in the Base Game and not in all markets.
