

The title 'NEON SHAPES' is centered in a vibrant, neon-lit environment. The word 'NEON' is in a bright blue font, while 'SHAPES' is in a pink-to-purple gradient. The text is set against a dark background with glowing neon lines and floating square shapes in various colors like orange, green, and blue. The overall aesthetic is futuristic and digital.

NEON SHAPES

NEON SHAPES

Neon Shapes is Evoplay Entertainment's colourful, modern twist on a widely beloved Tetris game, designed to become a go-to for all lovers of strategy games.

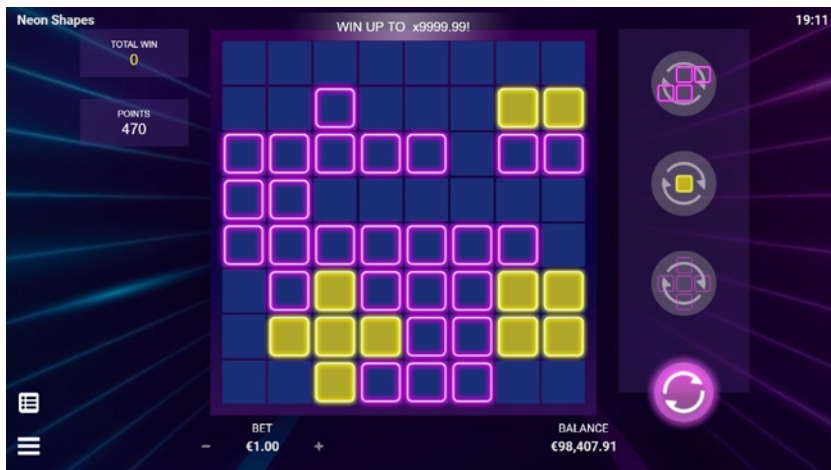

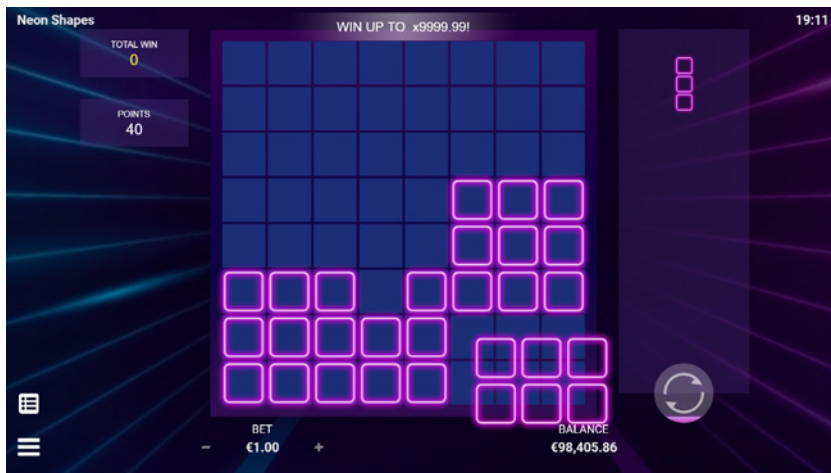

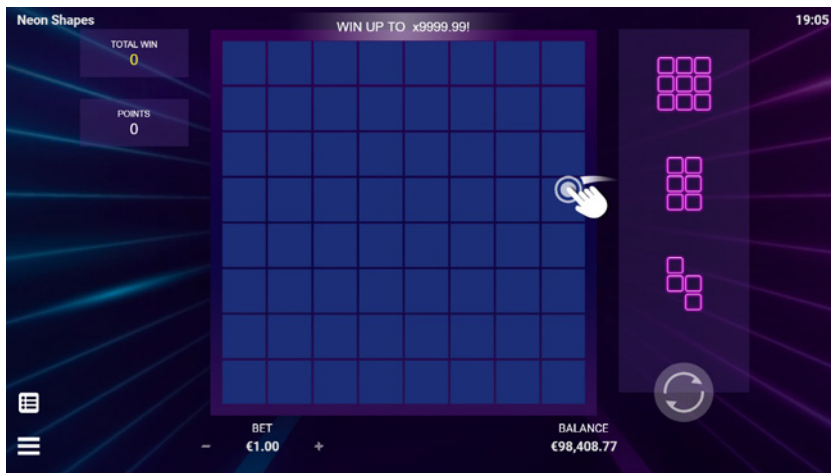

The game features a skill-based element as you can strategically select where to put the shapes and get Skill points for each success!

The vivid neon lighting and immersive soundtrack lends the game a unique style, puzzling you by forming horizontal and vertical lines with randomly generated 'Ordinary', 'Gold', and 'Orange' shapes. Removing any part of 'Gold' and 'Orange' shapes rewards a player with a mesmerizing prize!

Play now to master Neon Shapes and enjoy the chance to earn up to x9999.99!
