# OATH — OF — STEEL

## OATH OF STEEL

---

Ever felt that heavy, sharp tension in the air – right before steel meets steel? That's where Oath of Steel takes you. Dark, unforgiving. Knights towering in iron armour faces lost behind brutal masks, weapons catching the last bit of light under storm-filled skies.

With every spin, you're thrown into a fight. Not for glory – just to get through it. Those castle's red windows glow through the storm, always watching, while masked fighters keep going at it beneath the clouds.

It's not just a slot. It's rough around the edges – steel, shadows, and bone, all built into the reels. So... think you're ready to take that oath?
