

BONUS BUY

PANDA'S COINS

The Panda watches from his golden pagoda as the fortune waits to be claimed. Land coins across the grid, and a Wild sweeps in to multiply their value, sometimes by as much as x20. Gather six or more, and the temple lights up for the Bonus game, where every tile filled brings you closer to one of four jackpots, up to x5000 your bet for the GRAND prize.

The Emperor's hoard won't guard itself forever. Try your luck today!

Game Features

WILD SYMBOL

Wild substitutes for all regular symbols except Bonus symbols. In the main game, it appears only on reels 2–5. In the Bonus Game, it can appear on any reel and transforms into a random multiplier.

MULTIPLIER

This symbol appears only in the Bonus Game with a random multiplier of 2x, 3x, 4x, 5x, or 10x. It can land on an empty cell or a cell with another multiplier, combining their values up to a maximum of 20x. Multipliers apply only to Bonus Coins and Bonus Collectors.

BONUS COIN

Bonus symbols contain random values of 1x, 2x, 3x, 4x, 5x, 6x, 8x, or 12x total bet, or the MINI, MINOR, or MAJOR jackpot. Landing at least 6 Bonus symbols anywhere on the reels in the main game triggers the Bonus Game.

BONUS COLLECTOR

Symbol lands in both the main and Bonus games. In the main game, it can be a part of the triggering combination needed for the Bonus Game. In the Bonus Game, it collects values from Bonus Coins and Bonus Collectors.

RANDOM EVENT

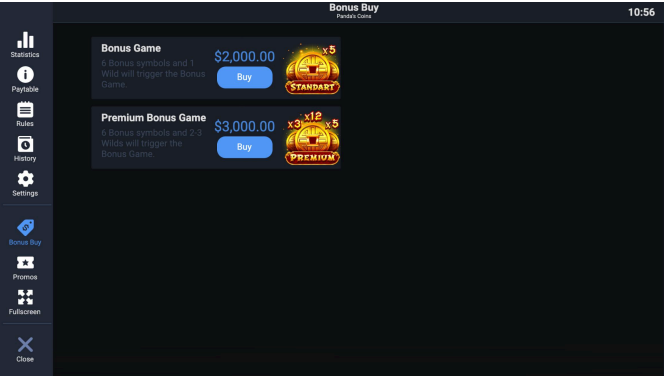

In any non-winning round with at least one Bonus symbol on the reels, additional Bonus symbols with random values and Wilds may appear in random positions.

BONUS GAME

The Bonus Game starts with 3 spins. Each new symbol resets the spin count to 3, while all Bonus symbols remain on the reels. The Bonus Game ends when no spins remain or all 15 positions are filled with Bonus symbols. Four jackpots can be won during the Bonus Game.

BONUS BUY

2 Bonus Buy options allow you to purchase direct access to the Bonus game.
