

## PENALTY SERIES

---

Penalty Series is a new instant football-themed game that is being added to Evoplay's portfolio. However, this time, players are provided with an opportunity to attack the opponent's goal while having to keep eyes on their own. In order to do this and trigger rewards, players must guess the direction of the opponent's shot by clicking on the highlighted area.

What's more important is that players can have multiple wins in one round with a side bet feature!

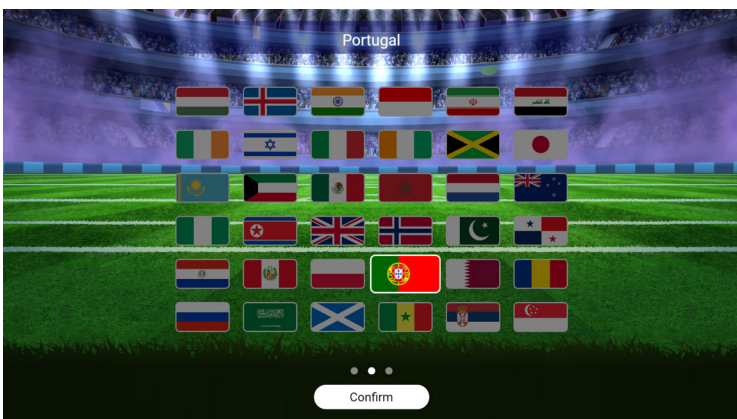

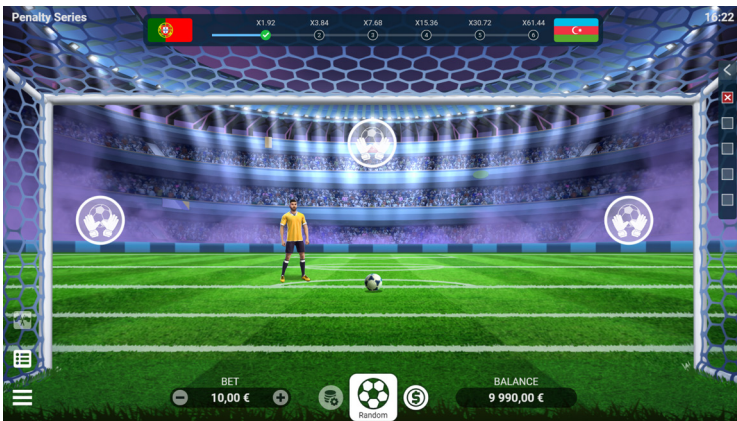

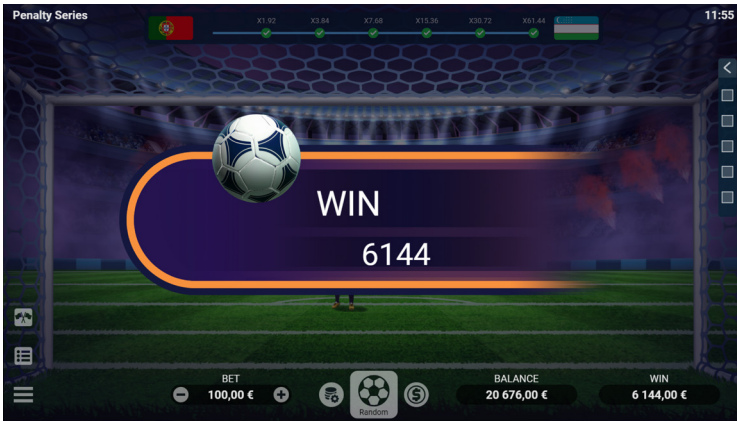

Instant entertainment - instant win.. or even several wins!
