

## PERFECT FISHING

They say there are many fish in the sea, but without risk, there is no reward. The fisherman in our newest instant game - Perfect Fishing - casts the rod like a real pro at the spot renowned for a fatty Golden Fish, spawning you a large scoop.

An expert fisherman knows how to maximise his catch while fishing in a picturesque location at the foothills of mountains. Players can use a small fish as bait to catch a huge Golden Fish and multiply their bets up to x1024! The progress bar shows the fisherman's skillfulness in reeling the fish in while your winning sum increases.

A large fish swims slower than the average swimmer. So make the perfect cast and hook the Golden Fish for a fat profit!
