

BONUS BUY

PIGGY BANK: COINSTORM

Down on the farm, the banks are stacked high, and the money never stops rolling in. Piggy Bank: Coinstorm is a bright, cheerful 3x3 slot where your actions bring something worth stopping for: golden bars and the odd surprise oinking its way across the reels.

Some spins settle quietly. Others bring a glow from a Bonus Coin that makes you sit up and pay attention, right before the Collector sweeps in to gather everything on offer. You can't exactly know which round is going to be the one.

Three symbols, that's all it takes to see what the farm's been saving up. Ready to see how full the bank gets?

Piggy Bank Coinstorm

Game Features

BONUS COIN

Bonus Coin can only land on reels 1 and 3 in the main and Bonus games. All Bonus Coin symbols contain random values: 1x, 2x, 3x, 5x, 7x, 10x, 15x bet or MINI, MINOR, MAJOR and GRAND jackpots.

BONUS COLLECTOR

The Bonus Collector symbol falls only on the 2nd reel of the main and Bonus games. In the main game, only one symbol can appear per round; otherwise, in the Bonus game, there could be a maximum of 3 of them. Each Bonus Collector symbol gathers and sums up amounts from all Bonus Coin symbols that fall with it.

RANDOM EVENT

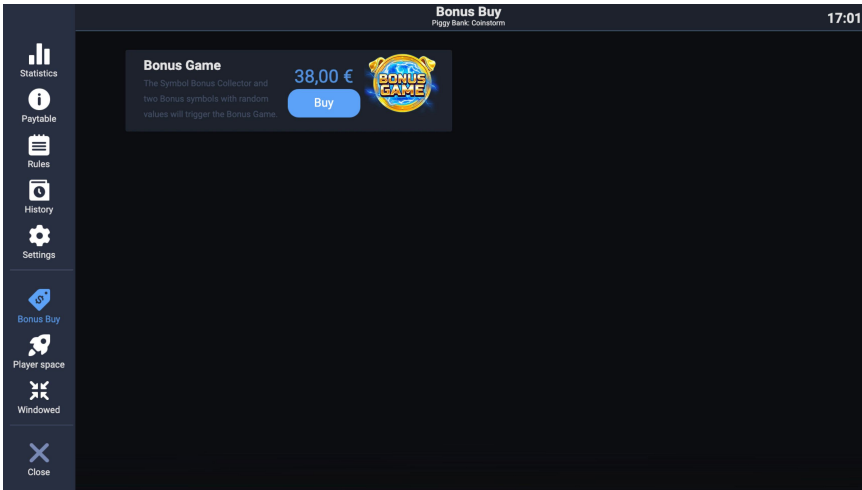

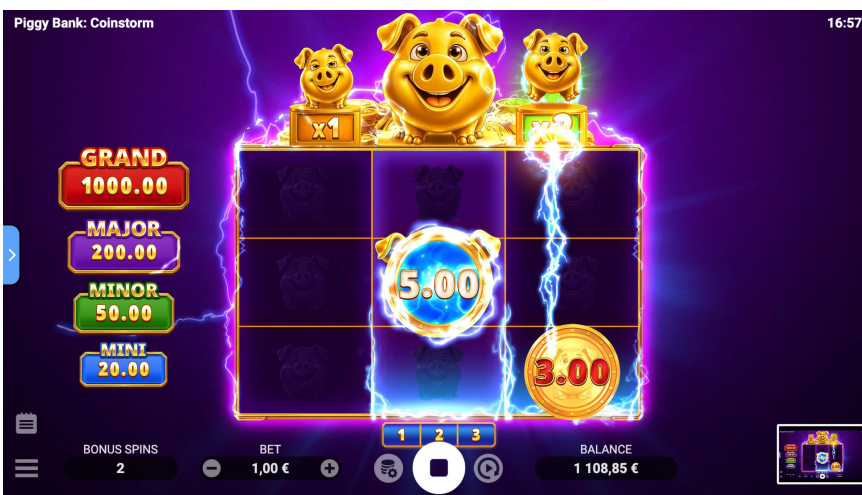

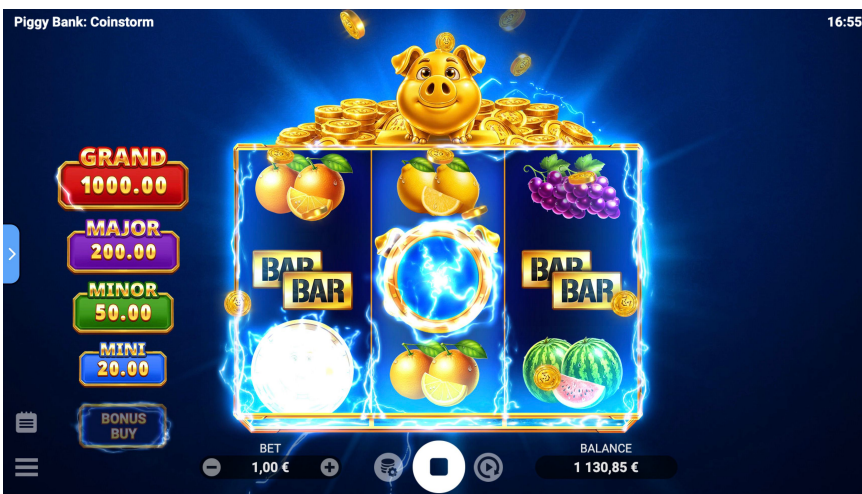

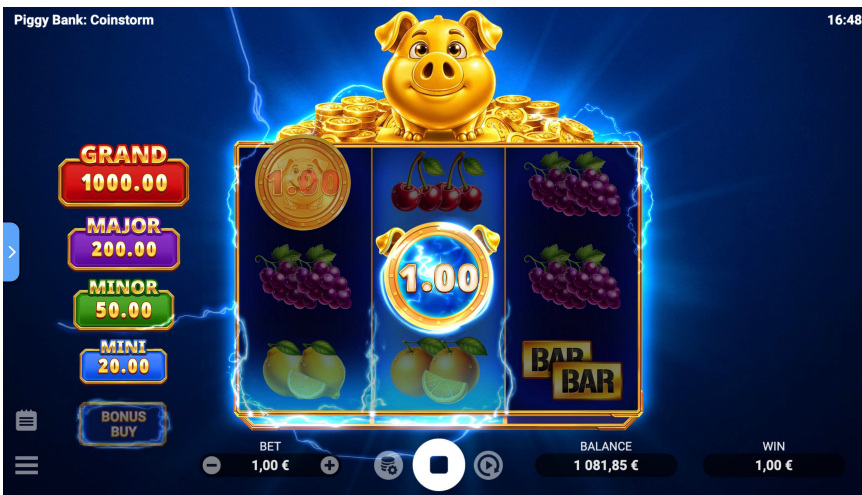

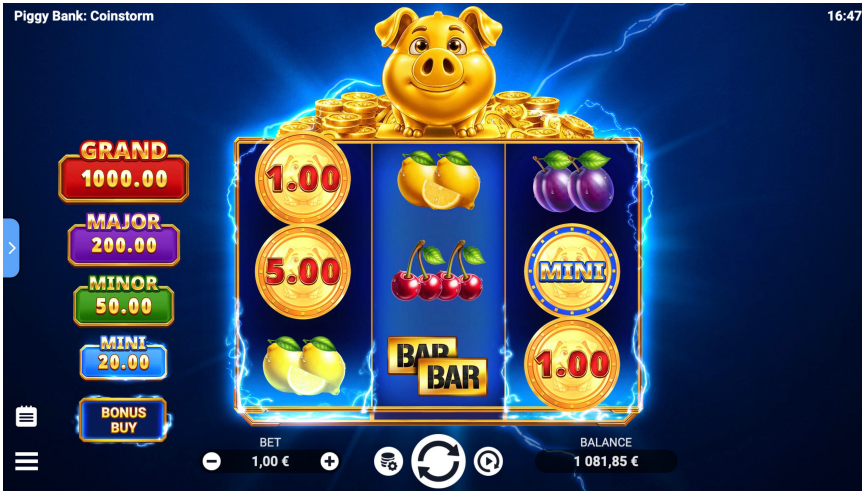

When the Bonus Collector symbol lands in a round without Bonus symbols or winning combinations, it can trigger a transformation of random symbols on reels 1 and 3 into Bonus symbols, activating the Bonus Game.

BONUS GAME

The Bonus Game activates when Bonus Coins land on reels 1 and 3 and a Collector lands on reel 2. The Bonus Game starts with 3 spins. Each new Bonus Coin or Collector resets the count to 3. Bonus values are collected by Collectors, leaving their positions empty. Random multipliers x1–x5 appear above reels 1 and 3 and may change with each spin. Multipliers x2–x5 boost Bonus Coin values on the corresponding reel. The Bonus Game ends when all spins are used.

BONUS BUY

The Bonus Buy feature allows you to purchase and immediately trigger the Bonus Game.
