

The title 'Plinko Blast' is rendered in a large, stylized, 3D font. 'Plinko' is in yellow with a blue outline, and 'Blast' is in light blue with a yellow outline. The background is a dark teal space with glowing white and yellow spheres and stars.

PLINKO BLAST

Easy to play, impossible to resist – Plinko has already won fans across the globe. Just drop the ball, watch it bounce through a pyramid of pegs, and land in a basket with a multiplier of up to x500! You can fully customise the game to suit your preferences: choose the field size, pick your difficulty level, and drop a single ball or unleash a stream using Autoplay. Watch it fall, and get your win!

The higher the difficulty, the greater the rewards – but also the bigger the risk. On the left, use the live history panel to easily track your results and improve your strategy. Ready to test your luck? Plink-plink to big wins!

Game Features

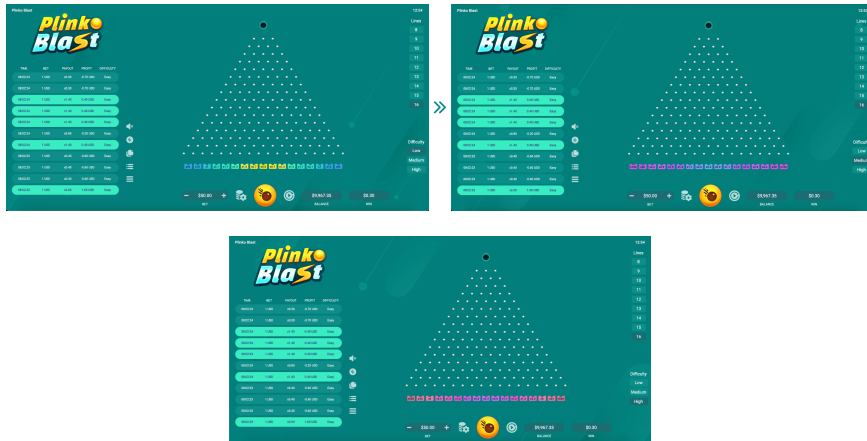

DIFFICULTY LEVELS

You can choose from three difficulty levels:

Low, Medium, and High.

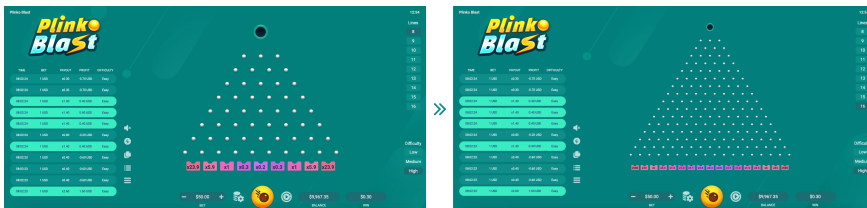

The row with multipliers changes according to the selected difficulty.

With the High one, the maximum multiplier will be higher than with Medium or Low.

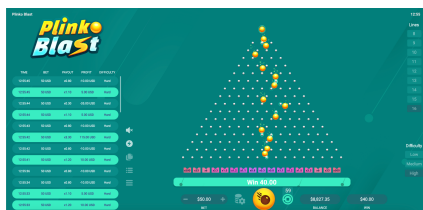

LINES

This feature changes the size of the game field (from 8 to 16 rows) as well as multipliers.

UNLIMITED BALL DROPS

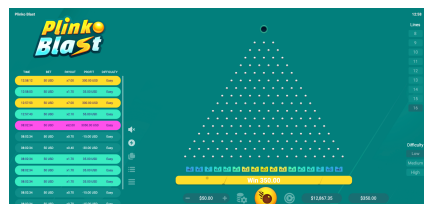

In the main game, you can launch dozens of balls in a row by clicking the “Play” button even without the Autoplay mode.

QUICK HISTORY

Quick History is displayed on the screen for your convenience and shows information about the last rounds. In this game, one round means one bet – that is, a ball dropping from the upper slot into a basket with a multiplier.

Winning rounds are marked with a denser fill.
