

PRIDE FIGHT

Our new fast-paced game, Pride Fight, combines the freedom of mixed martial arts with the thrill of making a bet on your favourite fighter. No barriers, fighting techniques from various combat sports, and the power of your choice turn every stake into an extreme rush of adrenaline. Players can pick a country, a fighter's skin, place bet's on his victory, and even participate in battle tactics!

You will find yourself among MMA fight viewers at the grandiose fans of sports fixture event In the game. In a dark arena, two fighters are in the spotlight: one representing the country you chose and his opponent. The experience of watching a thrilling match offers athletes with an unrivalled experience. Generous multipliers add heat to the fight: the excitement of your combatant's victory will perfectly match the thrill of your winning!

With Pride Fight, you'll be on the edge of your seat as you see your favourite player deliver a knockout blow!
