

## QUEEN OF SIRENS

Ride the wave to your next big adventure with our ocean-inspired slot – Queen of Sirens! A beautiful mermaid with a shimmering azure tail and a golden seashell will accompany you through a thrilling adventure underwater. Keep an eye out for the Sticky Coin, which guarantees a reward during the Bonus game, and the charming Octopus, who leads you there while duplicating rewards across the reels.

Experience Luck of Aurora during the Bonus or Ultra Bonus game, where the charming mermaid will shoot 1 to 9 water splashes onto random cells and leave the x2 multiplier on each. Uncover the Mystical Chest filled with hidden secrets, and watch for the Mystic Jackpot symbol that can unlock one of three fixed jackpots – with the Grand Jackpot awarded for filling the entire field during the Bonus game.

Let the ocean's magic sweep you away with plenty of wins!

## Game Features

### BONUS COIN

The Bonus Coin symbol can appear on the reels during the main, Bonus and Ultra Bonus games. Each Bonus symbol holds random values: x1, x2, x3, or x4 the bet. Bonus symbol winnings are exclusively awarded during the Bonus or Ultra Bonus games.

### STICKY COIN

The Sticky Coin symbol, appearing in the main game, stays on the reels until the Bonus game or Ultra Bonus game starts. Altering the bet removes this symbol from the reels. The Sticky Coin symbol carries random values: x5, x6, x7, x8, or x9 the bet.

### MYSTIC SYMBOLS

After the Bonus or Ultra Bonus games, the Mystic symbol transforms into any other symbol except the Sticky Coin. The Mystic Jackpot symbol is guaranteed to contain one of 3 jackpots: Mini, Minor, or Major.

### OCTOPUS

The Octopus symbol can appear in the main, Bonus, and Ultra Bonus games. Unlike other symbols, it doesn't hold any value. In the main game, it acts as one of the activators for the Bonus game. When the Octopus symbol lands, it gathers all the values and jackpots from the Bonus symbols that previously appeared during the Bonus or Ultra Bonus games.

### LUCK OF AURORA

Luck of Aurora can be triggered randomly during the Bonus or Ultra Bonus games. It shoots 1-9 water splashes into random cells when activated, leaving the x2 multiplier on each. If Luck of Aurora lands on a cell with an existing multiplier, it increases that cell's multiplier by 1 with each occurrence.

### BONUS GAME

All Bonus symbols that contribute to activating the Bonus or Ultra Bonus games stay in their place until the game ends. Both begin with 3 spins and whenever a new Bonus symbol appears, the spin count resets to 3. Any Bonus symbols landing after each spin remain on the reels until the Bonus game concludes. The Bonus Game continues until all spins are finished or all 9 positions on the reels are filled with Bonus symbols.

### ULTRA BONUS GAME

The Ultra Bonus game can be triggered randomly during any main game round. Prior to its start, 3 or more random symbols are placed on cells, filling the central line. The Luck of Aurora feature is always activated at the beginning of the Ultra Bonus Game and is triggered more often.

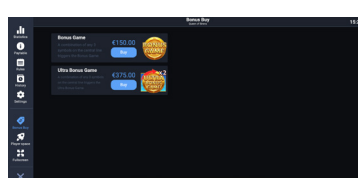

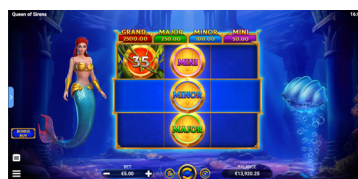

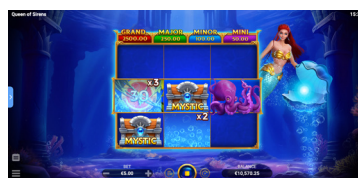

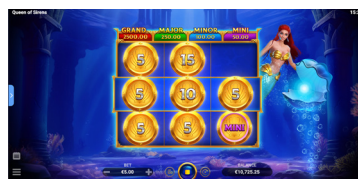

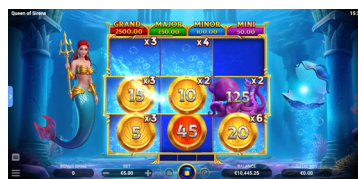

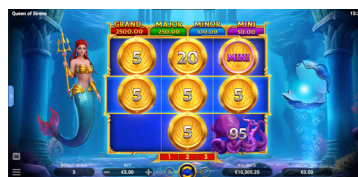

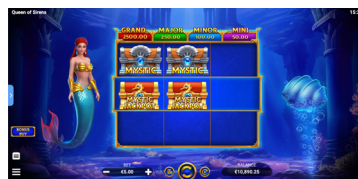

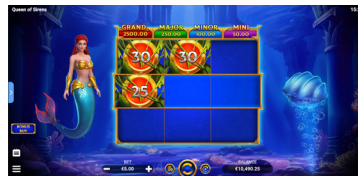

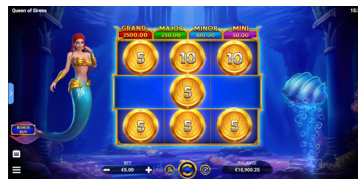

### JACKPOTS

In the game, there are 4 fixed Jackpots that can only be won during the Bonus game:

- The GRAND jackpot awards 500x the bet.
- The MAJOR jackpot awards 50x the bet;
- The MINOR jackpot awards 20x the bet.
- The MINI jackpot awards 10x the bet.

### BONUS BUY

With the Bonus Buy feature, players can purchase direct access to the Bonus or Ultra Bonus games.
