## SAFARI COINS

---

The sun sets over the African plains, casting the land in deep gold and fire. Somewhere in the distance, a low roar breaks the silence: the king of the savannah is near. And where the Lion walks, treasures are never far behind.

In Safari Coins, the 3 reels remain still, almost watchful, as if the land itself is holding its breath. Then, in a single moment, with 6 special symbols, everything changes. The king's presence is undeniable. One Lion's Roar can open the path to new possibilities and guide you towards greater rewards. It's not just a symbol – it's the spirit of the savannah itself.

There are no distractions here. No small wins along the way. Only silence, anticipation, and the powerful moment when everything aligns in the Bonus Game.

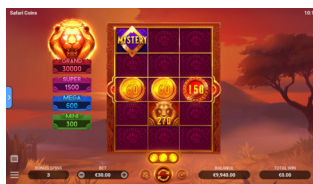

Follow the call of the wild. The coins are waiting!
