

SCRATCH MATCH

Scratch Match is an instant lottery game in which you need to get a lucky ticket with winning numbers. The rules are simple: you need to erase the protective surface from the ticket cells, and compare the numbers with the winning ones. If at least one number matches - the player receives a bonus. Evoplay Entertainment provides players with the opportunity to hit the Jackpot, namely, bet on the lucky number 777! Beautiful design, simple rules, and very fast gameplay will make Scratch Match favorite game for everyone who loves excitement.
