

SCRATCH MATCH DELUXE

Scratch Match Deluxe brings the irresistible “just one more ticket” feeling! Like in the previous game, here, you need to reveal a ticket filled with winning numbers. The gameplay is based on a simple and well-known scratch card mechanic. But now there is a twist: the exciting Lucky 777 bonus with a multiplier of up to x30,000.

Choose the number of scratchable cells – 10 or 20, and set your bet per cell; the total bet will be calculated automatically. Reveal the cells one by one, or hit the Scratch All button to uncover them all instantly. If a number matches, you win. But that’s not all: if you uncover 7, 77, or 777 on the playfield, you activate the bonus feature and get a multiplier of your winnings.

The thrill of scratching makes Scratch Match Deluxe an exciting pick for every fan of instant games!
