

SEASON SISTERS

Got a favourite season? You'll love them all after playing our latest slot Season Sisters! Each of the year's quarters are embodied by beautiful girls and magical bonus mechanics.

At first glance, everything may seem simple with 5 reels and 3 rows, but we guarantee this is anything but run of the mill. With 4 types of main game within the slot – each packed full of unique bonuses and 4 types of free spins. Wild symbols change their properties and core according to each season.

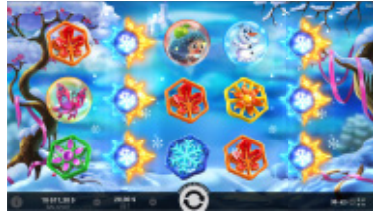

Our 4 beautiful sisters; Hilda, Shamsia, Aileen and Zlata will be ready to show you the reels with each representing their own season. With each holding their own, the 4 Queen's symbols substitute all regular symbols while triggering their own unique seasonal bonuses. Any Queen symbol that appears in a foreign season automatically triggers seasonal changes and its own type of Free Spins.
