SUNSTONE RICHES

Awaken the power of the sun and discover the treasures of the ancient gods!

Take a look into the heart of the jungle, where the sun's rays bathe forgotten temples and hidden riches. In Sunstone Riches, each spin brings you closer to the secrets of the Aztecs. This is a world where sacred stones shine with energy and the gods reward those who are not afraid of risk.

Exotic fruits, golden idols, and magical artefacts sparkle on the reels, and the mighty Sun-Bonus lights up the screen with flashes of radiance and big wins. When the Bonus symbols match, the temple gates open and the Bonus Game begins, where the rewards shine even brighter.

Every combination brings a chance for a generous win. Trust in the Wilds, collect the shining signs, and use the power of the Sun Stone to unlock legendary treasures.

The temple is waiting – can you win its heart of gold?

Game Features

WILD SYMBOL

The Wild substitutes for all regular symbols in winning combinations, except for the Bonus and Sun-Bonus symbols.

BONUS AND SUN-BONUS SYMBOLS

Bonus symbols appear only on reels 1 and 3. Each Bonus symbol contains a random value from 1x to 15x bet, and also MINI, MEGA, SUPER, or GRAND jackpots, which are worth 25x, 50x, 150x, and 1000x bet, respectively.

The Sun-Bonus symbol can appear only on reel 2. In the main game, a combination of the Sun-Bonus symbol on reel 2 and Bonus symbols on reels 1 and 3 triggers the Bonus Game.

BONUS GAME

During the Bonus Game, only Bonus and Sun-Bonus symbols appear on the reels. The feature always starts with 3 spins, and each time a new symbol lands, the spin counter resets to 3. All Sun-Bonus symbols remain in their positions until the Bonus Game ends. Values from the Bonus symbols are transferred to each Sun-Bonus symbol, and the positions of those Bonus symbols become empty. The Bonus Game ends when all spins have been played.

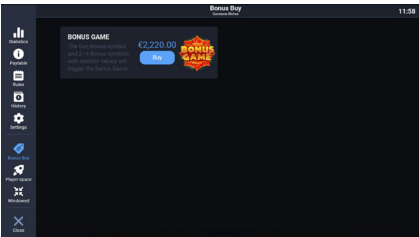

SUN GIFTS FEATURE

In the main game, any Bonus or Sun-Bonus symbol has a chance to trigger the Sun Gifts feature. When triggered, this feature adds Bonus or Sun-Bonus symbols to random positions on the reels, ensuring there are enough to launch the Bonus Game.

BONUS BUY

The Bonus Buy feature allows the player to purchase and instantly trigger the Bonus Game.
