

## TEXAS HOLD'EM BONUS

---

Texas Hold'em is currently the most popular poker game in the world. As the game evolved, the gameplay became endless, rich and volatile. Evoplay Entertainment has released its own version of Texas Hold'em with Bonus bet. Betting on the Bonus can tickle your nerves, but this is a chance to get a huge payout.

Steps of the game include: pre-flop, flop (first three cards), turn (fourth card) and river card (fifth card). The goal is to get the largest five-card poker hand to beat the dealer.

The soft colors of the game give a feeling of warmth and relaxation, and the setting is made in the best traditions of Texas. Interface elements take into account the latest trends and are designed to simplify any actions in the game. In the payout table, history and at the rules page you will find all information that you need.
